VICONNECT

The clever connection

THE CLEVER CONNECTION BEHIND THE WALL

ViConnect provides the right solution behind the wall – for wall faced and wall hung toilets. The range includes in-wall and low-level installation systems, which guarantee a reliable installation for multiple solutions. Perfect for all toilets including those with DirectFlush and SupraFix attachment.

Made in Germany
Villeroy & Boch

25 years

THERE IS A 25-YEAR AVAILABILITY GUARANTEE FOR REPLACEMENT PARTS FOR VICONNECT

VICONNECT SPORTS IMPRESSIVE TECHNICAL ADVANTAGES

- Intuitive and fast installation of the flush plate thanks to innovative Qwik Clic cable technology

For M300 and E300 flush plates:

- Easy mounting using magnetic clips
- Surface-mounted as well as flush-mounted using the optional flush-mounting kit

VICONNECT PROMOTES SUSTAINABILITY

- Dual flush for reduced water consumption
- Flush quantity easy to adjust (3/4.5 l)

- Flexible wall installation allows a wide range of applications

- Easy access to cistern via the inspection opening

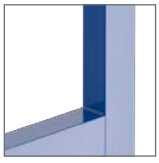

SupraFix 3.0 Villeroy & Boch

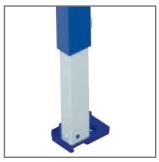

- Integrated vertical struts for secure installation with all WCs

- Quick quiet fill, even quieter than the highest German noise class rating 1

- Durable frame in powder-coated steel

- Height-adjustable, self-locking feet and adjustable base plates

- Waste pipe can be extended in 4 stages to adjust the depth

EXCLUSIVE DESIGN HIGHLIGHTS FOR INDIVIDUAL BATHROOM DESIGN

The modern flush plates blend perfectly with all bathroom ceramics and tapware from Villeroy & Boch thanks to the different materials and colours. Their timeless design provides plenty of freedom to create individual bathrooms.
